Beegie Adair Trio, Frosty The Snowman

Frosty the Snowman was a jolly happy soul With a corncob pipe and a button nose And two eyes made out of coal Frost the Snowman is a fairytale they say He was made of snow but the children know How he came to life one day There must have been some magic In that old silk hat they found For when they placed it on his head He began to dance around Frosty the Snowman was alive as he could be And the children say he could laugh and play Just the same as you and me, come on Thumpety thump thump, thumpety thump thump Look at Frosty go Thumpety thump thump, thumpety thump thump Over the hills of snow Thumpety thump thump, thumpety thump thump Look at Frosty go Thumpety thump thump, thumpety thump thump Over the hills of snow Oh Frosty the Snowman knew the sun was hot that day So he said, & amp; guot; Let's run and we'll have some fun Now before I melt away" Down to the village with a broomstick in his hand

Running here and there, all around the square Sayin', "Catch me if you can!" He led them down the streets of town Right to the traffic cop And he only paused a moment When he heard him holler, "Stop!" Hey, Frosty the Snowman had to hurry on his way But he waved goodbye, sayin', "Don't you cry I'll be back again some day" Thumpety thump thump, thumpety thump thump Look at Frosty go Thumpety thump thump, thumpety thump thump Over the hills of snow He'll be back, yes he will, again someday See you next year Frosty
