

# Beenie Man, Miss L.A.P.

Yeah dawg [laughing]  
Well yuh done know a wah day mi a go dung di road  
And buck up miss L.A.P (yuh nuh)  
Lovely awesome person (yuh nuh)  
Mi just touch her pon her shoulder one time and tell her this  
Baby you look fine, I want you to be mine  
Baby you look fine, I want you, you gotta be mine  
Baby you look fine, I want you to be mine  
Baby you look fine, I want you, you gotta be mine  
Miss World, me a eyes you for a long time  
It seems like everywhere you go that's where the sun shine  
I wanna penetrate your mind with some strong rhyme  
And entertain your thoughts with the right line  
Baby cut the crap I wanna make you mine  
I can't take a nap until the dealy sign  
Me want your body but it's like a new design  
Hear me one more time  
So me go so  
Dem cute girls dem got me hurting  
Is just to find the right gem  
But dat a when months upon months of searching  
Still can't find the right blend  
So me go so den de doctor lucky when him find you lurking  
Away from de ballas dem  
So me tell you den, how you have me whole body workin  
Willing fi start over again  
So me go so  
Baby you look fine, I want you to be mine  
Baby you look fine, I want you, you gotta be mine  
Baby you look fine, I want you to be mine  
Baby you look fine, I want you, you gotta be mine  
You are the product of a good mama teachin  
I gotta come correct on my preachin  
Have to be up front and no screechin  
Cause me want you up front when we go beachin  
Baby you body fine, you have me weepin  
Find me self up on your avenue screechin  
Embedded in your love I am deep in  
Intellect speakin so me go so  
I hope you know say you drive me crazy  
Just by the way how you wine  
But dat a when to how much girl me have a chase me  
And a you stuck pon me mind  
So me go so den, girl everyting just amaze me  
How comes you look so fine  
So me tell you den when my friends a go praise me  
When me get you to be mine  
L.A.P.  
Baby you look fine, I want you to be mine  
Baby you look fine, I want you, you gotta be mine  
Baby you look fine, I want you to be mine  
Baby you look fine, I want you, you gotta be mine  
Miss World, me a eyes you for a long time  
It seems like everywhere you go that's where the sun shine  
I wanna penetrate your mind with some strong rhyme  
And entertain your thoughts with the right line  
Baby cut the crap I wanna make you mine  
I can't take a nap until the dealy sign  
Me want your body but it's like a new design  
Hear me one more time  
So me go so  
Dem cute girls dem got me hurting  
Is just to find the right gem  
But dat a when months upon months of searching

Still can't find the right blend  
So me go so den de doctor lucky when him find you lurking  
Away from de ballas dem  
So me tell you den, how you have me whole body workin  
Willing fi start over again  
So me go so  
Baby you look fine, I want you to be mine  
Baby you look fine, I want you, you gotta be mine  
Baby you look fine, I want you to be mine  
Baby you look fine, I want you, you gotta be mine
