

Before Dark, Tough Love

Tough love

You keep on telling me lies I can fantasize, but know I realize
You're still hungry for my love, but you should've ate huh, huh

Tough love

I keep on (I keep on) letting you back (letting you back) loves so much but a
heart attack

(a heart attack) It don't matter what you do, never gon' get back with you, so
keep on

sobbing cause we're through

Tough love

He said don't wear no tight shirts, hot skirts and don't flirt be home by
eight not late I won't wait and don't make me bang on you

When I fell in love with you it was voodoo, I didn't know the things that you
do

You said you'd always be there, always give a care, but now you have no spare
ain't no fair

Tough love

You keep on telling me lies I can fantasize, but know I realize
You're still hungry for my love, but you should've ate huh, huh

Tough love

I keep on (I keep on) letting you back (letting you back) loves so much but a
heart attack

(a heart attack) It don't matter what you do, never gon' get back with you, so
keep on

sobbing cause we're through

Tough love

I would O-B-E-Y, I'm too shy, I'd just walk by and let you tell me off
on and all around, one day I'll leave and never be found

I'll pack my bags, be out, say PEACE, you never knew I'd leave so weak

If you coulda, shoulda, woulda been a real man to stay with you I do all that
I can

Bridge-

Let me tell you what I mean when I say that I watched you plead away from me
And you really, really gonna be sorry baby

Now you wanna get back with me you have you friends keep pagin' me, but this
star athlete can take his cletes and run

Tough love

You keep on telling me lies I can fantasize, but know I realize
You're still hungry for my love, but you should've ate huh, huh

Tough love

I keep on (I keep on) letting you back (letting you back) loves so much but a
heart attack

(a heart attack)

It don't matter what you do, never gon' get back with you, so keep on
sobbing cause we're through

Tough love

Rap-

It's 365, 52, then 7, I 'm the closest you can get without
dyin' and goin' to heaven

I was you caramel kisses and your chocolate eclairs, but you still lyin'
telling friends you saw my underwear

When the waitress asks you for your order, you checking me, slim fem', brown
skin, but there is much, much more to me

What you want from me, who you want me to be, but I can clearly see you love
is no purpose it's on B.D.

Bridge-

Let me tell you what I mean when I say that I watched you plead away from me

And you really, really gonna be sorry baby
Now you wanna get back with me you have you friends keep pagin' me, but this
star athlete can take his cletes and run

Tough love

You keep on telling me lies I can fantasize, but know I realize

You're still hungry for my love, but you should've ate huh, huh

Tough love

I keep on (I keep on) letting you back (letting you back) loves so much but a
heart attack

(a heart attack) It don't matter what you do, never gon' get back with you, so
keep on

sobbing cause we're through

Tough love
