Beggar's Canyon

Miscellaneous

April May

Verse 1

I can see the light in front of me  
I can feel the warmth surrounding me  
if I can simply feel you next to me  
I'll be so content I will be happy

(Chorus)

When I look in your eyes  
I see thousands of things  
I hear the angels singing  
with their golden wings  
did I ever tell you that  
I love this place  
Especially when you fill  
it with your soft grace

Verse 2

Your the greatest song  
of a great symphony  
whenever i see you  
wish you were with me  
now that I hold you  
in my arms alone  
whenev'r I touch you  
i feel no more alone

Chorus(2x)
