

# Behemoth, As Above So Below

I've seen strange signs on my way  
Silent shadows  
Dancing shapes  
And angels fallen on the earth

Face up  
And look here  
When the root ov thy cannot reach

Art thou Nephilim child?  
Are ye looking for thy Elysium?  
Here among the living trees?  
Among the fading stars, variability ov forms?

Sometimes love, sometimes sadness ov things  
Sometimes rapture, and wine o sabbath  
Sometimes hatred, divine rage  
And 93 rears, no limit, beyond the sin-gilgolem

Ye taught me the secret words:  
IOA SABAO  
Protect thy Daimon

Why, why whisper thoughts  
But might is raised  
When conjurer of seasons  
Hums the song....sorrowful, joyful  
Night is eternal  
and day is eternal  
with runes ov life  
And runes ov death  
as above, so below  
Now it's time ov the Beast
