Behemoth, As Above To Below

I've seen strange signs on my way Silent shadows Dancing shapes And angels fallen on the earth

Face up And look there When the root ov thy being cannot reach

Art thou Nephilim child? Are ye looking for thy Elysium? Here among the living trees? Among the fading stars, variablility ov forms?

Sometimes love, Sometimes sadness ov things Sometimes rapture, and wine o sabbath Sometimes hatred, divine rage And 93 rears, no limit, beyond the sin - gilgolem

Ye taught me the secret words: IAO SABAO Protect thy Daimon

Why why whisper thoughts But might is raised When conjurer of seasons Hums the song...sorrowful, joyful Night is eternal And day is eternal With runes ov life And runes ov death As above, so below Now it's time ov the Beast
