

Beirut, Interior Of A Dutch House

Could you really be so tired and you thought it was
Wave it down inside
Could you really be so tired and you thought you were
Wave it down inside
Could you really be so tired when you thought about it
Tie it all alone
Oh let me tell me violently turn around
When you don't die
Although it's if a lie when you told them
All in all you'll die

la la la la la la la
la la la
la la

I wanna say you're right and now I'll fall
You're waiting all the time
Could rather sigh you're welcome
All your time your time and say for
I wanna say your you're right and now you'll fall
You're right and now they are all
Then when it's solved
They're right and I will die
You held them all for your lie
