

# Belinda Carlisle, All Gods Children

I believe in you  
Do you believe in me?  
Please say you do  
Oh can't you see that  
Every time I try to live alone  
I find that I can't make it on my own  
So please, bless my dreams

All God's children  
Right or wrong, weak or strong  
All God's children  
Old and young, everyone needs real love

Right off from the start  
I was taught to listen to my heart  
So when I tell you  
This is real  
I know I'm not mistaken  
Help me heal  
Don't leave my heart to break in two  
Without you

All God's children  
Right or wrong, weak or strong  
All God's children  
Old and young, everyone needs real love  
Needs real love  
They need real love

One and all  
There are no exceptions  
When it calls  
Baby let your love shine through  
Bright and true

All God's children  
Right or wrong, weak or strong  
All God's children  
Old and young, everyone  
All God's children  
Right or wrong, weak or strong  
All God's children  
Old and young, everyone  
All God's children  
Glad or sad, good or bad  
All God's children  
Don't go and lie  
Day or night they need real love  
They need real love
