

Bell Biv DeVoe, When Will I See You Smile Again

I'm so sorry, baby
I never meant to hurt you
Please forgive me
Tears, I see drop from your eyes
Tell me why you cry
Guilt, I feel when you look at me
Did I let you down?
Girl, you see that I
I apologize
Tell me what to do
To get through to you
Girl, it's not the same
I know I was to blame
Just tell me when will I
See you smile again?
Tell me when will I see you smile again?
'Cause I know I messed up, baby
And I know you're fed up, sugar
Tell me when will I see you smile again?
'Cause I know I messed up, baby
And I know you're fed up, sugar
Promises, I know I made many times before
And I broke each one of them
But I had to learn over and over again
Don't hurt the one you love
Girl, you see that I
I apologize
Tell me what to do
To get through to you
Girl, it's not the same
I know I was to blame
Just tell me when will I
See you smile again?
Tell me when will I see you smile again?
'Cause I know I messed up, baby
And I know you're fed up, sugar
Tell me when will I see you smile again?
'Cause I know I messed up, baby
And I know you're fed up, sugar
Look, baby, listen
Please forgive me for all the wrong I've done
You see, I just can't understand
Why I keep making this same kind of mistake
Over and over again
But there's one question that remains in the back of my mind, love
And that is
When will I see you smile again?
Tell me when will I see you smile again?
'Cause I know I messed up, baby
And I know you're fed up, sugar
Tell me when will I see you smile again?
'Cause I know I messed up, baby
And I know you're fed up, sugar
Tell me when will I see you smile again?
'Cause I know I messed up, baby
And I know you're fed up, sugar
Tell me when will I see you smile again?
'Cause I know I messed up, baby
