

Bell Perez, Hola Mubdo

Hello world
This is me
Life should be
Fun for everyone

Every now and then I'm insecure
Let me show you life can be so pure
Seize the day
Wear a big happy smile on your face
In every life a little rain will fall
That won't change my attitude at all
You are you, I am me, we'll be free

Hello world this is me, life should be mm-mmm ya fun for everyone
Hello world come and see, life should be fun for everyone

Life is easy if you wear a smile
Just be yourself, don't ever change your style
I like you, you like me, let's have fun be happy
Look into my eyes and tell me straight
For you I'll make the whole world wait
Let me know, if it's so let it show

Hello world this is me, life should be mm-mmm ya fun for everyone
Hello world come and see, this is me

Come on, baby, don't be afraid
Come on, baby, it's not too late
Say you do
Won't you open up the door and let me in?
