

# Belle And Sebastian, Jonathan David

I know you like her  
Well I like her too  
I know she likes you  
It's not as if I'm being sent off to War  
There are worse things in this world

There's still room in my wooden horse for two  
I was Jonathan to your David  
You're still King

Well, I'd thought about her  
I dreamed she'd come, I'd make my escape  
I thought she liked me but somehow I was wrong  
I know you don't want it this way  
But it's O.K.

It's not like we'll be parted  
It's not like we'll never know love

And she'll smile for you  
She'll hold your hand  
You'll be in love there's no other way  
And I will make it some day

I know you like her  
Well I like her too  
I know she likes you  
It's not as if I'm being sent off to War  
There are worse things in this world

There's still room in my wooden horse for two  
I was Jonathan to your David  
You're still King

Visions of love recollected  
Have we ever been true?  
I know that I have, it's time for you to go  
It's all in the stones that you throw  
I want you to know

It's not like we'll be parted  
It's not like we'll never know love

And she'll smile for you  
She'll hold your hand  
You'll be in love there's no other way

People say that  
"We'll never change"  
"We'll never change"  
But I have

You and her in the local newspaper  
You will be Married and you'll be gone

Married and you'll be gone
