

Belle And Sebastian, Like Dylan In The Movies

Lisa's kissing men like a long walk home
When the music stops
Take a tip from me, don't go through the park
When you're on your own, it's a long walk home

If they follow you
Don't look back
Like Dylan in the movies
On your own
If they follow you
It's not your money that they're after boy it's you

Pure easy listening, settle down
On the pillow soft when they've all gone home
You can concentrate on the ones you love
You can concentrate, hey, now they've gone

If they follow you
Don't look back
Like Dylan in the movies
On your own
If they follow you
It's not your money that they're after boy it's you

Yeah you're worth the trouble and you're worth the pain
And you're worth the worry, I would do the same
If we all went back to another time
I will love you over
I will love you over
I will love you

If they follow you
Don't look back
Like Dylan in the movies
On your own
If they follow you
Tenderly you turn the light off in your room
