

# Belle Perez, Everything

Can't imagine what my life would be  
without you  
I'm just happy spending all my time  
around you - oh yeah  
What I'm getting true love  
don't want anybody but you  
because..

refrein:  
Everything I feel  
Everything I need  
I know it's right, these emotions are real  
Everything I know  
Everything I see  
Only goes to show  
You are everything for sure

Can't imagine that I used to be  
so lonely  
Without you I'm sure my world would be  
so empty - oh yeah  
Treasure all the time we share  
promiss you will always be there  
because...

refrein

I'm so in love with you  
Just believe it  
It's the reason I'm survivin'  
You know when I can spend the rest of my life with you
