

# Belle Perez, Hang On To Yourself

When I was a little girl  
My mama used to say  
Don't do this  
Don't do that  
Now go outside and play  
Well here I am  
About five years old  
Just another girl  
Dancing on the doorstep to the world  
And that's where Cupid shoots  
And Cupid fails  
I'm not afraid to say  
I'm seventeen  
Right in between  
But I know I'm on my way  
The mirror tells me  
You're so fine  
You should be having fun  
But I'm standing on the crossroads  
Of my highway to the sun  
I gotta go for it  
I gotta do it myself  
Ain't gonna get much help  
From anybody else  
And I do believe  
It's what I really want  
To hang on to myself baby  
I hang on to my self  
Let me tell you  
Today I'm still that little girl  
I used to be back then  
I don't give up  
I won't give in  
One day you'll understand  
Here I am I sing this song  
Not just another girl  
Standing on the treshold to your world  
You gotta go for it  
You gotta do it yourself  
Ain't gonna get much help  
From anybody else  
So if you do believe  
It's what you really want  
Just hang on to yourself baby  
Just hang on to yourself  
Hello?  
Some people say  
One day baby you will see  
Who is this?  
You're gonna take that ride  
For your destiny  
It's your bubble girl  
You better grab it while you can  
You gotta go for it  
You gotta do it yourself  
Ain't gonna get much help  
From anybody else  
So if you do believe  
It's what you really want  
Just hang on to yourself baby  
Just hang on to yourself
