

# Belle Perez, It Must Have Been Love

It must have been love but it's over now...

Lay a whisper on my pillow  
Leave the winter on the ground  
I wake up lonely, there's air of silence  
In the bedroom and all around

Touch me now, I close my eyes  
And dream away

It must have been love but it's over now  
It must have been good but I lost it somehow  
It must have been love but it's over now  
From the moment we touched 'til the time had run out

Make-believing we're together  
That I'm sheltered by your heart  
But in and outside I've turned to water  
Like a teardrop in your palm

And it's a hard winter's day  
I dream away

It must have been love but it's over now  
It was all that I wanted, now I'm living without  
It must have been love but it's over now  
It's where the water flows  
It's where the wind blows

It must have been love but it's over now  
It must have been good but I lost it somehow  
It must have been love but it's over now  
From the moment we touched 'til the time had run out

It must have been love but it's over now  
It was all that I wanted, now I'm living without  
It must have been love but it's over now  
It's where the water flows  
It's where the wind blows
