

Belle Perez, You Make Me Feel So Good

I came a long long way
To show you how I feel today
And now I don't know where to start
It's what you do to me
This state of my emergency
Straight from the bottom of my heart

You're the one and only guy
Who can really get me high

You make me feel so good
So good
Like I knew you would
Ooh la la la yeah
You make me feel so good
So good
Like I knew you would
Ooh la la la yeah

The way you look at me
Could be my opportunity
The one I've waited for for so long
Forever happiness
Depending on your sweet caress
Baby with you I can't go wrong

You take the limit to the sky
I didn't know that I could fly

You make me feel so good
So good
Like I knew you would
Ooh la la la yeah
You make me feel so good
So good
Like I knew you would
Ooh la la la yeah

The time has come
To let my feelings show
Ain't it funny that my heart
Just told you so

Na na na na na na
Na na na na na na na na
Na na na na na na
Na na na na na na na na

You make me feel so good
So good
Like I knew you would
Ooh la la la yeah
You make me feel so good
So good
Like I knew you would
Ooh la la la yeah
