

Bellefire, i'll never get over you getting over you

Bellefire

Miscellaneous

i'll never get over you getting over you
I hear you're taking the town again
havin' a good time with all your good time friends
i don't think that you think of me
you're on your own now, and i'm alone and free
i know that i should get on with my life
but a life lived without you could never be right

chorus:

as long as the stars shine down from the heavens
long as the rivers run to the sea
i'll never get over you gettin' over me

i try to smile so the hurt won't show
tell everybody i was glad to see you go
but the tears just won't go away
loneliness found me, looks like it's here to stay
i know that i oughta find someone new
but all i find is myself always thinkin' of you

chorus

oh, no matter what i do
spending a lifetime to live through
i can't go on like this
i need your touch
you're the only one i've ever loved

chorus

i'll never get over you gettin' over
i'll never get over you gettin' over me
