## Bellefire, i'll never get over you getting over you

Bellefire

Miscellaneous i'll never get over you getting over you I hear you're taking the town again havin' a good time with all your good time friends i don't think that you think of me you're on your own now, and i'm alone and free i know that i should get on with my life but a life lived without you could never be right

chorus:

as long as the stars shine down from the heavens long as the rivers run to the sea i'll never get over you gettin' over me

i try to smile so the hurt won't show tell everybody i was glad to see you go but the tears just won't go away loneliness found me, looks like it's here to stay i know that i oughta find someone new but all i find is myself always thinkin' of you

chorus

oh, no matter what i do spending a lifetime to live through i can't go on like this i need your touch you're the only one i've ever loved

chorus i'll never get over you gettin' over i'll never get over you gettin' over me
