

# Bellefire, What Hurts The Most

I can take the rain on the roof of this empty house  
That don't bother me  
I can take a few tears now and then and just let them out

I'm not afraid to cry  
Every once in a while  
Even though going on with you gone still upsets me  
There are days  
Every now and again  
I pretend I'm ok but that's not what gets me

What hurts the most  
Was being so close  
And having so much to say  
And watching you walk away  
And never knowing  
What could have been  
Not seeing that love in you  
Is what I was trying to do

It's hard to deal with the pain of losing you everywhere I go  
But I'm doing it  
It's hard to force that smile when I see your old friends and I'm alone

Still harder  
Getting up, getting dressed  
Dealing with this regret  
But I know if I could do it over  
I would trade  
Give away  
All the words that I say  
Through my heart that I left unspoken

What hurts the most  
Was being so close  
And having so much to say  
And watching you walk away  
And never knowing  
What could have been  
Not seeing that love in you  
Is what I was trying to do

Is what I was trying to do  
Oh wow oh wow

What hurts the most  
Was being so close  
And having so much to say  
And watching you walk away  
And never knowing  
What could have been  
Not seeing that love in you  
Is what I was trying to do

Is what I was trying to do  
Yeah...  
And never knowing  
What could have been  
Not seeing that love in you  
Is what I was trying to do

What hurts the most
