

Bellini, Brazil

brazil... brazil...
brazil... bailar...
brazil (wo-uh oh o)
brazil (wo-uh oh o)
when we are dancing side by side
I can feel the heat all night
every move and every step
like a maniac
brazil en fiesta, brazil bailar
feel the rhythm's gonna make you dance
'till the morning light
let us feel the heat all through the night
let me be the one tonight
let's dance 'till the morning light
I wait for your love attack
like a maniac
brazil en fiesta, brazil bailar
feel the rhythm's gonna make you dance
'till the morning light
let us feel the heat all through the night
brazil-bailamos so paulo
(wo-uh oh o) bailamos salvador
(wo-uh oh o) bailamos de janeiro
(wo-uh oh o) bailamos en brazil
brazil... brazil...
brazil... bailar...
let's come together and have some fun
no time for wasting
let's dance until the morning light
brazil en fiesta (wo-uh oh o)
brazil bailar (wo-uh oh o)
brazil en fiesta (wo-uh oh o)
bailamos en brazil
