

Bells, Stay Awhile

Into my room he creeps
Without making a sound
Into my dreams he peeps
With his hair all long and hangin' down
How he makes me quiver
How he makes me smile
With all this love I have to give him
I guess I'm gonna stay with him awhile.

She brushes the curls from my eyes
She drops her robe on the floor
And she reaches for the light on the bureau
And the darkness is her pillow once more.
(Repeat Chorus).
