

# Bells, Stay Awhile

Into my room he creeps  
Without making a sound  
Into my dreams he peeps  
With his hair all long and hangin' down  
How he makes me quiver  
How he makes me smile  
With all this love I have to give him  
I guess I'm gonna stay with him awhile.

She brushes the curls from my eyes  
She drops her robe on the floor  
And she reaches for the light on the bureau  
And the darkness is her pillow once more.  
(Repeat Chorus).
