

# Belly, Judas My Heart

Where I live there's a blanket of gauze  
It covers the scars of the drunks who are hungry as ever  
Where I live there's a blanket of sighs  
And it covers the stars in my heart I'm as hungry as ever  
This is the room where we met  
Where I live there's a lady who walks everywhere on her hands  
Doesn't trust where her feet want to take her  
Where I live there's this lady who walks everywhere on her hands  
She don't trust where her feet want to take her  
Not in here this is the room where we met  
Not in here this is the dress I had on  
This is not the moment you fear  
When you wake up and no one is there  
Low hangs the moon inside this room  
Low hangs the moon inside this room  
So that I'm a witness when you  
Judas my heart, Judas my heart  
Where I live there's a blanket of sighs  
And it covers the stars in my heart I'm as hungry as ever  
Where I live I'm afraid that I walk everywhere on my hands  
I don't trust where my feet want to take me

Not in here this is the room where we met  
Not in here this is the dress I had on  
This is not the moment I fear  
I say, I 'stead of she now you're here  
Low hangs the moon inside this room  
Low hangs the moon inside this room  
So that I'm a witness when you  
Judas my heart, Judas my heart  
Judas my heart, Judas my heart  
Can I get a witness when you do this to my heart again?  
Can I get a witness when you do this to my heart again?  
Can I get a witness when you do this to my heart again?  
Where I live there's a lady who walks everywhere  
On her hands just like me doesn't trust  
Where her feet want to take her again  
And her feet want to take her again  
And her feet want to take her again  
And her feet want to take her again  
She loves me, yeah, yeah, yeah  
She loves me, yeah, yeah, yeah
