

Belly, Someone To Die For

Poor thing, poor thing
Do you have a sister?
Would you lay your body
Down on the tracks for her?
Step one, tiptoe in Hell
For her?

Don't you have someone you'd die for?
Don't you have someone you'd die for?
Don't you have someone you'd die for?
Don't you have someone you'd die for?
Don't you have someone you'd die for?
