

Belphegor, Justine: Soaked In Blood

Pain and suffer, beg for urine
Salvation, cut wounds, water torture
Tied up bondage, sado terror
Possessed crawl for me, psychopathic sex

Justine

Soak me in blood, dead fucked to pieces
Smear me with the fruits of perversity
Soak me in the fruits of blasphemy
Dethroned cunt, goddess of purity
Godless, flagellated, licked and sodomized
Nymphomania, butt lust, anus breaths for more
Strangle me or take me as I am
Because I'll be damned in eternity

Justine

Soak me in blood, dead fucked to pieces
Smear me with the fruits of perversity
Soak me in the fruits of blasphemy
Dethroned cunt, goddess of purity
