

Belphegor, Stigma Diabolicum

So much flesh, so many different pleasures
Receive this sacrifice, this lifeblood of mine
Infernal power, shout for the devil
He who flies faster than the hawk
Stigma diabolicum, possessed and branded
I cut your signs into my flesh
Stigma diabolicum, possessed and branded
One flesh, one spirit, one blood
Dancing witches wrapped in flames
Demonic claw rips lecherous flesh
Three bleeding chunks, the beast's vestige
He who flies faster than the hawk
Stigma diabolicum, possessed and branded
I cut your signs into my flesh
Stigma diabolicum, possessed and branded
One flesh, one spirit, one blood
Stigma diabolicum, possessed and branded
I cut your signs into my flesh
Stigma diabolicum, possessed and branded
One flesh, one spirit, one blood
