Belphegor, The Goatchrist

Bloodlust - on the altar Zombie nazarene - stoned to death We're the flames - of resistance Hunting - like wolfs in the shadow

Let the blood - flow between us! Let the flesh - unite us!

Hell is open - the goatchrist prevails You're god is dead - the goatchrist prevails

Analjesus - on the wooden cross The ravens eye - so proud and black Profanation - of the bible whore Fukk christ - where's your dog god gone

Let the blood - flow between us! Let the flesh - unite us!

Hell is open - the goatchrist prevails You're god is dead - the goatchrist prevails
