

# BEMY, Cheugy

You're my cheugy, I know  
You show dat booty on the stream  
It's sellin' o-right

You're a cheugy, I know  
But what else does this bring to me  
You're just passin' time

And I been there twice  
I'm a sex spice  
Never ever even been so nice  
Till the girls bite

Thinking that you own me  
Is a bandage  
That you glue onto your ego  
Until you age

Your eyes are stuck onto your front cam  
Starin' at your mouth to make it more glam

You never even asked me what I want to do  
Coz you only care about you

You're my cheugy, I know  
You show dat booty on the stream  
It's sellin' o-right

You're a cheugy, I know  
But what else does this bring to me  
You're just passin' time

Wearin' just a crop top  
I can see your tits drop  
Mirrors in your flat  
Reflectin' all your TikToks

Been here twice  
I spent two nights  
Head above the clouds  
What's that on your iPad

Your OnlyFans is so wrong that I can't even think about what you're exposin'  
You do what you do  
Coz I don't care about you

You're my cheugy, I know  
You show dat booty on the stream  
It's sellin' o-right

You're a cheugy, I know  
But what else does this bring to me  
You're just passin' time

But I'm not better  
But I'm not better  
Not better

I'm a cheeky hungry little naughty samurai  
And I never let go  
Coz I'm using you and you don't know it

I'm a cheeky hungry little naughty samurai  
And I never let go

Coz I'm using you and you don't know it

You're a cheugy, I know  
You show dat booty on the stream  
It's sellin' o-right

You're a cheugy, I know  
But what else does this bring to me  
You're just passin' time
