

Ben Bledsoe, Boyfriend

I love everything about you but your boyfriend
I love everything about you but your boyfriend

The way you move, girl, the way you dance
I know that you would like me if you gave me half a chance
The way you walk, and the way you talk about your boyfriend

I love everything about you but your boyfriend
I love everything about you but your boyfriend

Your boyfriend's back, and he's 6 foot 3
And he gives me dirty looks when you're just talking to me
I don't know Kung-Fu or Karate
Is there a place where we can go where he don't know and he can't see?

I love everything about you but your boyfriend
I love everything about you but your boyfriend

Can I get your number so I can call and try to explain
I don't mean no disrespect, but I want him out of the way.

There's so many things I wanna say to you
Can we take a little walk without "You know who?"
I wanna tell you what's been on my mind
You know your boyfriend doesn't love you, you should just leave him behind

I love everything about You but your Boyfriend
I love everything about You but your Boyfriend

I love everything about you but your boyfriend
I love everything about you but your boyfriend
