

Ben Cocks, So Cold (piosenka z serialu POD PO

oh,
you can't hear me cry
see my dream all die
from where you're standing on your own
it's so quiet here
and I feel so cold
this house no longer
feels like home

when you told me you'd leave
I felt like I couldn't breath
my aching body fell to the floor
then I called you at home
you said that you weren't alone
I should've known better
now it hurts much more

you cause my heart to bleed and
you still owe me a reason
cause I can't figure out why
why I'm alone and freezing
while you're in the bed that she's in
and I am just left alone

you cause my heart to bleed and
you still owe me a reason
cause I can't figure out why
you cause my heart to bleed and
you still owe me a reason
cause I can't figure out why

oh,
you can't hear me cry
see my dream all die
from where you're standing on your own
it's so quiet here
and I feel so cold
this house no longer
feels like home
