Ben Folds, In Between Days

yesterday I got so old I felt like I could die

yesterday I got so old it made me want to cry

so go on

just walk away

go on, go on

your choice is made

go on, go on

disapear

go on, go on

away from here

and I know it wrong

when I said it was true

that it couldn't be me and be her

In between

Without you

Without you

Yesterday I got so scared I shivered like a child

yesterday away from you, it thrills me deep inside

well

come back, come back

no other way

come back, come back

I'm back today

come back, come back

we'll can't you see

come back, come back

come back to me

and I know it wrong

when I said it was true

that it couldn't be me and be her

in between

without you

without you

go on

go on

go on

go on

without you

go on

without you

go on
