Ben Folds, Jane

jane be jane you're better that way not when you're trying imitating something you think you saw

jane be jane and if sometimes that might drive them away let them stay there you don't need them anyway

you're worried there might not be anything at all inside but that you're worried should tell you that's not right don't try to see yourself the way that others do it's no use

you're worried there might not be anything at all inside but that you're worried should tell you that's not right you've had it harder than anyone could know so hard to let it go

but it's your life and you can decorate it as you like beneath the paint and armour in your eyes the truth still shines jane be jane jane be jane
