

Ben Folds, Them That Got

I'm getting down to the last pair of shoes
Can't even win the nickel bet
Because them that's got
Are them that gets and
I ain't seen nothing yet

I see folks with fine cars and fancy clothes
That's why they're called the smarter set
Because they manage to get
What them that's got supposed to get
And I ain't seen nothin yet

Them that gots is
Them that gets
Is something I can't see
You got to get something
'Fore you can get something
How you get the first
Is still a mystery to me

I see folks with fine car and fancy clothes
That's why they're called the smarter set
Because they manage to get
What them that's got supposed to get
And I ain't seen nothin yet
I ain't seen nothing yet
I ain't seen nothing yet
