Get Up, Stand Up (bob Marley)

I say we're sick and tired of your poison technology

Slowly, surely, killing all humanity

We know when we understand:

Mighty god is a living man.

You can fool some people sometimes,

But you can not fool all the people all the time.

So now you see the light

We gonna stand up for our rights!

Get up, stand up, stand up for your rights

Get up, stand up, stand up for your rights

Get up, stand up, stand up for your rights

Get up, stand up, don't give up the fight

Preacher man don't tell me

Heaven is under the earth

I know you don't know

What jah life is really worth

It's not all the glitters is gold

Half the story has never been told

So now you see the light

Stand up for your rights

Get up, stand up, stand up for your rights

Get up, stand up, stand up for your rights

Get up, stand up, stand up for your rights

Get up, stand up, don't give up the fight
