

# Ben Harper, High Tide Or Low Tide

Yes, in high seas or in low seas  
I'm gonna be your friend  
You know that I'm gonna be your friend  
Any so in high tide or in low tide  
I'll be by your side  
You know that I'll be by your side

I heard her praying, praying, praying - mmh  
I said I heard my mother  
Her praying, praying, praying - mmh  
She was praying in the night  
And the words that she said, the words that she said  
They still linger in my head, linger in my head  
She said : "A child is born into this world  
He needs protection" - yeah

God, guide and protect us  
When we're wrong, please correct us  
When we're wrong, correct us  
And stand by me

In these high seas or in low seas  
I'm gonna be your friend  
You know that I'm gonna be your friend  
Any so in high tide or in low tide  
I'll be by your side  
You know that I'll be by your side

I said I heard my mother  
Her crying, crying, crying - mmh  
She was crying in the night  
And the tears that she shed, the tears that she shed  
They still linger in my head, linger in my head  
She said : "A child is born into this world  
He needs protection" - yeah

God, guide and protect us  
When we're wrong, please correct us  
When we're wrong correct us  
And stand by me

In these high seas or in low seas  
I'm gonna be your friend  
You know that I'm gonna be your friend  
Any so in high tide or in low tide  
I'll be by your side  
You know that I'll be by your side
