

# Ben Harper, I Shall Not Walk Alone

Battered and torn  
Still I can see the light  
Tattered and worn  
But I must kneel to fight

Friend of mine  
What can't you spare  
I know some times  
It gets cold in there

When my legs no longer carry  
And the warm wind chills my bones  
I reach for Mother Mary  
And I shall not walk alone

Hope is alive  
While we're apart  
Only tears  
Speak from my heart  
Break the chains  
That hold us down  
And we shall be  
Forever bound

When I'm tired and weary  
And a long way from home  
I reach for Mother Mary  
And I shall not walk alone

Beauty that  
We left behind  
How shall we  
Tomorrow find

Set aside  
Our weight in sin  
So that we  
Can live again

When my legs no longer carry  
And the warm wind chills my bones  
I reach for Mother Mary  
And I shall not walk alone
