

# Ben Harper, In Your Eyes

Love, I get so lost, sometimes  
Days pass and this emptiness fills my heart  
When I want to run away  
I drive off in my car  
But whichever way I choose  
I come back to the place you are

And all my instincts, they return  
And the grand facade, so soon will burn  
Without a noise, without my pride  
I reach out from the inside

In your eyes  
The light, the heat  
I am complete  
I see the doorway  
to a thousand churches  
The resolution of all the fruitless searches  
Oh, I see the light and the heat  
Yes, I want to be that complete  
I want to touch the light  
The heat I see in your eyes

Love, I don't like to see so much pain  
So much wasted and each moment is slipping away  
I get so tired, working so hard for our survival  
I look to these times with you, to keep me awake and alive

And all my instincts, they return  
And the grand facade, so soon will burn  
Without a noise, without my pride  
I reach out from the inside

In your eyes  
The light and the heat  
I am complete  
I see the doorway to a thousand churches  
And resolution of all the fruitless searches  
Oh, I see the light and the heat  
Yes, I want to be that complete  
I want to touch the light,  
The heat I see in your eyes  
In your eyes  
In your eyes
