

# Ben Harper, Not Fire, Not Ice

There is not a river wide  
Not a mountain high  
And neither sin nor evil  
Could change how i feel inside(2x)

Not all the strength of the ocean  
Not all the heat from the sun  
(from the sun)  
Though others ive tried i just cant deny  
For me you are the one (2x)

But true love is priceless  
For true love we pay the price  
But theres nothing can keep me from lovin you  
Not fire no not ice (2x)

Like a hero or a champion  
You are the best (your the best)  
Like religion or superstition  
With you i am blessed (2x)

Now the river may grow wider  
The mountains may reach past the sky  
And whether or not you feel the same  
My love shall never die (2x)

But true love is give and take  
True love is sacrifice  
But theres nothing can keep me from loving you  
Not fire no not ice(3x)
