

# Ben Harper, Not Fire Not Ice

There is not a river wide.  
Not a mountain high.  
And neither sin nor evil.  
Could change how I feel inside.  
Could change how I feel inside.  
Not all the strength of the ocean.  
Not all the heat from the sun, from the sun.  
Now, others have tried, I just can't deny.  
For me you are the one.  
For me you are the one.  
The true love is priceless.  
For true love you pay a price.  
But there's nothing can keep me from loving you.  
Not fire, no not ice.  
Not fire, no not ice.  
Like a hero or a champion.  
You are the best, you're the best.  
Like religion or superstition.  
With you I am blessed.  
With you I am blessed.  
Now the river may grow wider.  
The mountain may reach past the sky.  
And wether or not you feel the same.  
My love shall never die.  
My love shall never die.  
The true love you give and take.  
The true love is sacrifice.  
But there's nothing can keep me from loving you.  
Not fire, no not ice.  
Not fire, no not ice.  
Not fire, no not ice.
