

Ben Harper & The Innocent Criminals, Walk Away

Oh no here comes that sun again
That means another day without you my friend
And it hurts me to look into the mirror at myself
And it hurts even more to have to be with somebody else
And it's so hard to do and so easy to say
But sometimes, sometimes you just have to walk away
Walk away
With so many people to love in my life
Tell me why do I worry about one
But you put the happy in my nest
You put the good times into my fun
And it's so hard to do and so easy to say
But sometimes, sometimes you just have to walk away
Walk away try and head for the door
We've tried the goodbye so many days
We walk in the same direction so that we would never stray
They say if you love somebody than you have got to set them free
But I would rather be locked to you than live in this pain and misery
They say time will make all this go away
But it's time that has taken my tomorrows and turned them into yesterdays
And once again that rising sun is dropping on down
And once again you my friend are nowhere to be found
And it's so hard to do and so easy to say
But sometimes, sometimes you have to walk away, walk away
You just walk away try and head for the door
And walk away, just walk away
You just walk on, walk on
Turn and head for the door
Just walk away
