Ben Harper, With My Own Two Hands

I can change the world with my own two hands make a better place with my own two hands make a kinder place with my own two hands with my own, with my own two hands with my own, with my own two hands

I can make peace on earth
with my own two hands
And i can clean up the earth
With my own two hands
And I can reach out to you
With my own two hands
With my own, with my own two hands
With my own, with my own two hands

Im gonna make it a brighter place Gonna make it a safer place Gonna help the human race with my own, with my own two hands

I can hold you In my own two hands And i can comfort you With my own to hands Youve got to use Use your own to hands

Im gonna make it a brighter place
Im gonna make it a safer place
Gonna help the human race
OH make it a brighter place
I can hold you
I can comfort you
But you got to, got to, got to, got to use, use your own, oh use your own lord
