## Ben Kweller, Silent Scene

I dont have a problem i have zelexcool one with ancor-family in denile

wheres my only brain? wheres my neculias mom i think its all good what have been to us?

so i wait tuesday yeah i wait to make you happy

pickin up the paper the gardian right wing liberal neighbor he wont be my friend anthrax bombs are hiding cause woodtras back on trail americas just a family in denile

cause i wait for tuesday yea i want to make you happy

well i wanna see your daylight
the tarin fell in my life
its a silent scene
and when i wanna see your night light
you sprinkle me with goodbye
its not up to me
its your biography how you sleep with my light
restin on your head
woken by the drowlin
counted majic

passion is the answer honesty the key when my frame is empty you wont see me

cause i wait for tuesday
cant wait to make you happy
well i wanna see your daylight
the tarin feel in my life
its a silent scene
and when i wanna see your nightlight
you sprinkle me with goodbye
its not up to me its you biography

00000....

its your biography is this fantsy?

LOOK OUT!
