

# Ben Lee, Birthday Song

Hey there I said it  
I'm in love  
With you

There's an ocean between us  
Just like me  
Deep and Blue

And I, at times have had nothing  
But tonight I want nothing but you  
You're the only thing I want  
The only thing I want  
The only thing on my mind  
All the time

Staying up 'til dawn won't take its toll  
'Til we get old  
And drinking is just the way  
We keep away the cold  
And you, you know what it means  
To be true and searching like me

You're the only thing I need  
The only thing I need  
The only thing on my mind  
All the time

And you gave me a reason  
To give you my soul  
I'll give you it all

You're the only one I want  
The only one I need  
The only one on my mind  
All the time  
All the time  
All the time  
All the time
