

Ben Lee, What's So Bad (About Feeling Good?)

Well you're lookin' so compose as you're starin' down your nose at me, laughin' at the way that I da
But I just keep on movin' while you're lookin' disapprovin'
I feel sad for you, you never take a chance
So let your feet start shuffling and let your hips swing.
I know your heart's as hungry as mine.

Close your eyes, look at me, open up your mind you'll see that we can share a moment, a moment
[Chorus]

Tell me what's so bad, about feeling good
Tell me what's so bad, about feeling good
Well it's not all analysis or mathematic pression
oh all the simple things in life are not small
and all your daily drama and the politics of pleasure
well they really do not matter much at all
so let your words start spilling out against your will
and let your love minlge with mine

close your eyes, look at me, open up your heart you'll see that we can share a moment, a moment
[Chorus 4x]

Tell me what's so bad, about feeling good
Tell me what's so bad, about feeling good
No guilt. All Pleasure. C'mon I wanna hear you yell it now
No guilt. All Pleasure. C'mon everybody yell it now
No guilt. All Pleasure. I wanna hear you yell it baby
No guilt. All Pleasure. C'mon everybody...Tell me what's so bad, about feeling good
Tell me what's so bad about feeling good.
Tell me what's so bad, about feeling good
Tell me what's so bad, about feeling good
...about feeling good....about feeling good...what's so bad about feeling good...
