

# Ben Lummis, Coffee And Cream

Can you believe  
Well I'm a true believer  
Baby you've changed my ways  
Once I could say  
I was a great deceiver  
Now I'm just keeping the faith

Running around like a one man circus  
All I want to do is stop  
And now that you're here  
I feel that faith can't hurt us  
Never letting go of what we've got

It's our theme  
We're like Coffee and Cream  
(Ah ah ah ah ah ah)  
We're moving upstream  
Now it seems  
We're like Coffee and Cream  
(Ah ah ah ah ah ah)  
We're moving upstream  
Like Coffee and Cream

Drifting away into our own dimension  
Everything is bending around  
Up in the clouds  
We look at God's creation  
Never seem to touch the ground

They can say what they like  
They can try what they might  
But never deny  
When it's right it's right

It's our theme  
We're like Coffee and Cream  
(Ah ah ah ah ah ah)  
We're moving upstream  
Now it seems  
We're like Coffee and Cream  
(Ah ah ah ah ah ah)  
We're moving upstream  
Like Coffee and Cream
