

Ben Lummis, Searchin'

Verse 1

Six cities, ten years, tired of instability
Don't you know I'm looking for a place that I can call my own
Six Girls, ten years, tired of infidelity
Can't you see I'm looking for a special one who will take me home

Here's the time,
I'll be out and dry
Till I find the light

Chorus

Understand, I'm searchin for myself
The other part of me is there somewhere
Understand, I'm searchin for myself
Don't be chargin me, just show me you care

Verse 2

Everything I am needs to find serenity
She can see I'm standing right here helpless lost and alone
Everything in me needs maturity
Tell me how'm I supposed to let time do its thing and hold my own

Here's the time,
I'll be out and dry
Till I find the light

Understand, I'm searchin for myself
The other part of me is there somewhere
Understand, I'm searchin for myself
Don't be chargin me, just show me you care

Bridge

You Care (Ah ah)
You Care (oh oh ah)
You Care (ah)

Six cities, ten years, tired of instability
Don't you know I'm looking for a place I can call my own
Six Girls, ten years, tired of infidelity
Can't you see I'm looking for a special one who will take me home

Hard to find (so hard to find)
Even though I try (and even though I try)
Can help askin why (Can't help askin why)
(So Hard To Find)

Chorus

Understand, I'm searchin for myself
The other part of me is there somewhere
Understand, I'm searchin for myself
Don't be chargin me, chargin me

Understand, I'm searchin for myself
The other part of me is there somewhere
Understand, I'm searchin for myself
Don't be chargin me, chargin me
Understand I'm searchin for myself (X4)
