Ben's Brother, Find Me An Angel

Sitting in my bedroom
Thinking of a love gone
Wondering why it went wrong
Over again

You didn't really know me
And it feels like you owe me
But I guess at least you showed me
Not to do it again

Coz I've been knocked out,
Found out
About time that it turned around
Coz I've got to find the one thing that will get me over you, so

One day, you've gotta find me an angel
Someone to save me
Someone to put me back together again
One day, you've got to send me an angel
Coz I'm back at the beginning but I'm holding out for more
This time

I'm tired of being lonely
I'm getting to it slowly
But I'm running out of patience
Running out of strength

There's got to be a reason
For everything I'm feeling
But I think I've learned my lesson
I'm never doing it again

Coz I've been knocked out
Found out
About time that it turned around
Coz I've got to find the one thing that will get me over you, so

One day, you've gotta find me an angel
Someone to save me
Someone to put me back together again
One day, you've got to send me an angel

Coz I'm back at the beginning but I'm
holding out for more
This time

I'm not unbreakable
But what I'm trying to say
Is I don't think I am capable
Of doing this alone so

One day, you've gotta find me an angel
Someone to save me
Someone to put me back together again
One day, you've got to send me an angel
Coz I'm back at the beginning but I'm
holding out for more
This time
