

Benjamin Kim, If It Were To Happen

Coming down,
Watching you going out that door.
Doesn't make,
Any sense to me now.
What am I supposed to do with you...

Checking my phone,
See you left me something.
I cannot say,
Nor can do anything.
To make you come back into my own arms...

Missing you,
Is not the only thing (baby).
Having you,
Was the only thing (that I had)
Ever needed in my own damn life...
Knowing you,
You know I never regret.
Having you,
Was the only thing that
I ever wanted in my own damn life...

Watching you,
Across the street lights turning.
I can't believe,
That you're with that other man I
Just want you back with me...

Was it you that called me...
Picked up the phone but it hung up on me...
But now, I need you back, with me (now)...

Missing you,
Is not the only thing (baby).
Having you,
Was the only thing (that I had)
Ever needed in my own damn life...
Knowing you,
You know I never regret.
Having you,
Was the only thing that
I ever wanted in my own damn life...

I ever needed in my life...
I ever wanted in my life...

Missing you,
Is not the only thing (baby).
Having you,
Was the only thing (that I had)
Ever needed in my own damn life...
Knowing you,
You know I never regret.
Having you,
Was the only thing that
I ever wanted in my own damn life...

Was it you that called me...
Picked up the phone but it hung up on me...
But now, I need you back, with me (now)...
