Benjamins, Sophia On The Stereo

rise and shine to the stereo playing a song I know we both like it sounds like lazy summer sundays it sounds like something that we both like

rise and shine to California singing a song I know we both like it sounds like rainy summer sundays it sounds like something that we both like

wa oh, wa oh, we're on the stereo wa oh, wa oh, we're on the stereo now

a stack of mixtapes brought me closer and I know that it's a modest melody that sent you out to find the perfect guy but found you crashing into me

wa oh, wa oh, we're on the stereo wa oh, wa oh, we're on the stereo now
