

Bent, Dirty Mind

There's something about you, baby
It happens all the time
Whenever I'm around you, baby
I get a dirty mind

Doesn't matter where we are
It doesn't matter who's around
It don't matter, just wanna lay you down

In my daddy's car
It's you I really wanna drive
But you never go too far

I may not be your kind of man
I may not be your style
All I wanna do is just love you for a little while

If you got the time
I'll give you some money
To buy a dirty mind
Don't misunderstand me
I never fool around
You got me on my knees
Won't you please let me lay you down

In my daddy's car
It's you I really wanna drive
Underneath the stars

I really get a dirty mind
Whenever you're around
I really get a dirty mind
Whenever you're around
